CONTINUATION OF COMPLAINT:

Alejandro NIEBLA-Leon

PROBABLE CAUSE STATEMENT

On July 14, 2008 Border Patrol Agent William Bowes was performing assigned duties in the Brown Field Border Patrol Station's area of responsibility. At approximately 8:40 a.m., Agent Bowes responded to a seismic intrusion device in an area that is Northwest of the Tecate, California Port of Entry.

Upon arriving in the area, Agent Bowes observed a pair of individuals attempting to hide behind some bushes. Agent Bowes approached the two subjects, including one later identified as the defendant **Alejandro NIEBLA-Leon**, and identified himself as a United States Border Patrol Agent. Agent Bowes questioned each individual to determine his citizenship and immigration status. When asked where he was born and of what country he was a national, NIEBLA-Leon stated "Mexico." When asked if he possessed any valid United States immigration documents allowing him to enter into or remain within the United States legally, NIEBLA-Leon stated "no." Agent Bowes arrested NIEBLA-Leon and had him transported to the Brown Field Border Patrol Station for further processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico** on **April 15, 2003**, through the Port of Entry at **Calexico, California**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.
